Supplemental Notes

The following notes provide additional context and explanations for the portfolio tables.

- (1) As of June 30, 2026, FCPT owned eight vacant properties which are excluded from this listing. For additional information on vacant properties, refer to FCPT's public filings.
- (2) The basis for properties received from Darden in the November 2015 spin-off reflects the gross carrying value of the properties on the date of spin (Nov 9, 2015). For additional information on the spin-off transaction, refer to FCPT's public filings.
- (3) For reference only; not a property count. Certain parcels containing multiple properties are combined into a single line in the detailed listing. For property count by industry, see the Summary of Properties by Tenant Type.
- (4) Brand names in this listing may be presented in abbreviated form. Full legal names are available in FCPT's public acquisition-related press releases.
- (5) Properties received from Darden in the November 2015 spin-off (see Note 2 for details).
- (6) See industry definitions used in FCPT's public filings.
